**To start Easy Interactive Tools on your computer, do one of the following:**

- Select  or **Start > All Programs** or **Programs > EPSON Projector > Easy Interactive Tools**.
- Or, double-click the  **Easy Interactive Tools** icon on your desktop.

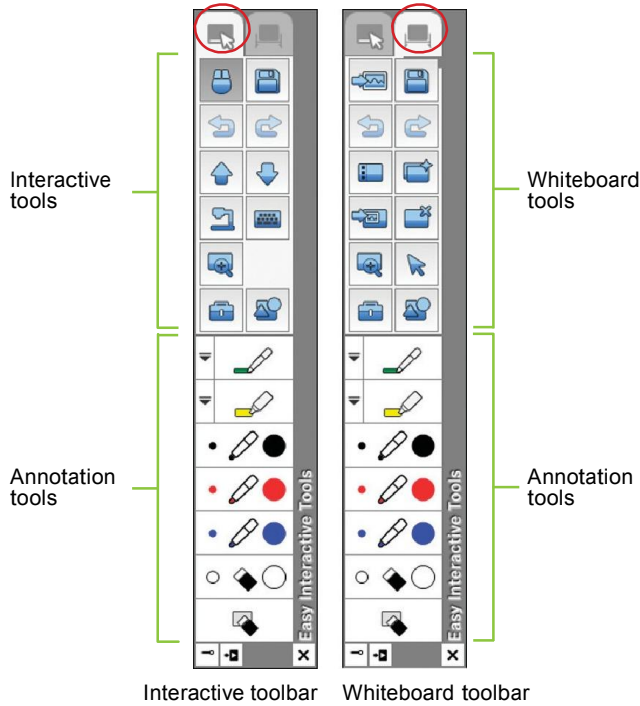

**Interactive Mode**

In interactive mode, the toolbar appears on the projected image and lets you use the pen as a mouse to open applications, access links, and operate scroll bars, for example.

In this mode, you can also annotate whatever is displayed from your computer or document camera and save or print your pages.

**Whiteboard Mode**

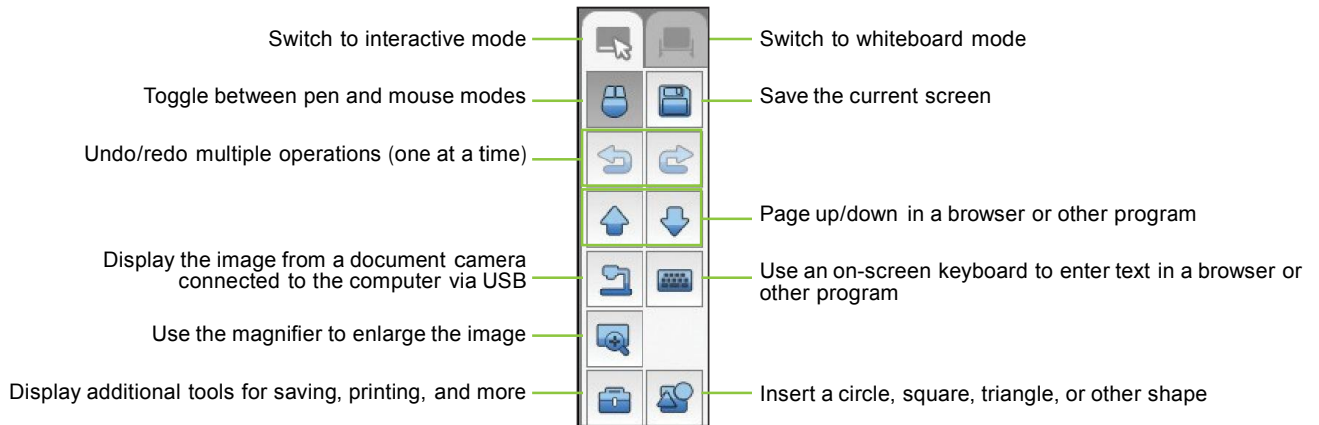

In whiteboard mode, the toolbar appears on a blank surface, background image, or pattern. You can write or draw with the pen, add images, and save or print your pages.

**Annotating**

You can use the annotation tools at the bottom of the toolbar in either mode.

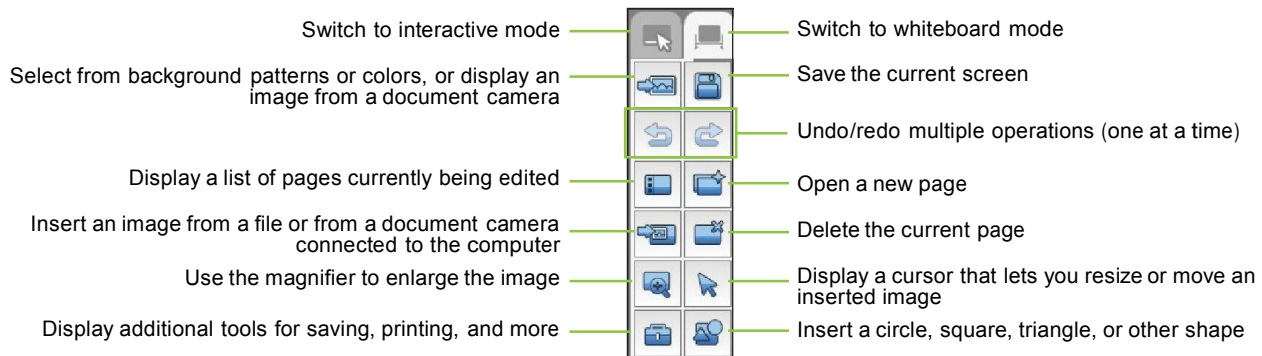

**Tools for Interactive Mode**

Link object	Opens the Links dialog box, where you can link the selected object to another page in the current book, another file, or a URL.
Fill object	Opens the Custom Color dialog box, where you can choose a color with which to fill an object or the entire page.

**Clipboard Tool**

Options	Description
Copy	Puts a copy of the selected object(s) on the Clipboard.
Cut	Removes one or many objects from the page to the Clipboard.
Paste	Pastes the object on the Clipboard to the page.

**Using the Word Bank**

The Word Bank option allows you to remove a word and replace it.

To use the Word Bank:

1. Click the Word Bank icon on the Draw toolbar.
2. Click a word to move it to the Word Bank.
3. Click and drag the word back
4. Use the Clear and Clear All buttons to remove words from the Word Bank list.

**Speaking Words and Sentences**

TeamBoard can pronounce individual words or sentences.

To hear a word or sentence:

1. Click the icon on the Draw toolbar that corresponds to speaking either a word or a sentence.
2. Click the word or sentence that you want to hear spoken.
