

# Community Health Worker

## NO-COST TRAINING PROGRAM

**JOIN THIS UNIQUE  
CHW TRAINING  
PROGRAM!**

Workforce Development & Continuing Education presents an excellent opportunity for BCC students, parents, siblings and friends to train to work as a **Community Health Worker** in the Healthcare field. CHWs are trusted, knowledgeable frontline health personnel who typically come from the communities they serve. CHWs bridge cultural and linguistic barriers, expand access to coverage and care, and improve health outcomes.

### THE BCC PROGRAM

- Prepares participants to work as CHWs
- Meets the training requirements for NYS CRPA certification
- Is a **FREE** program

Upon completion, graduates will

- Be prepared to take the CRPA IC & RC certification exam
- Apply for CRPA certification with the New York Certification Board
- Have all CRPA certification and exam fees covered by the program
- Earn nine credits towards a Public Health Administration Associate Degree at Bronx Community College
- Receive connections to employment opportunities!

### PARTICIPANTS MUST:

- have an annual income under \$30k
- have a High School Diploma / TASC
- be at least 18 years of age
- be eligible to work in the U.S.
- have the passion and desire to guide and serve those in recovery

**For consideration, please attend an information session:**
