**Fall 2018**

The CUNY Language Immersion Program offers you the opportunity to study English for an intensive period of time before you enroll in formal credit bearing college courses. This program includes classroom instruction, books, computer-assisted learning, tutoring, college orientation and advisement. Because of the intensity of the language instruction (25 hours a week), students do not take additional college course work while they are attending the Language Immersion Program.

#### **Who may attend the program?**

The program is designed for entering freshmen who have already been admitted to a CUNY college and who need additional English language preparation. Participation in the program is voluntary.

#### **When do classes meet?**

There are day and evening sessions:

Day: Monday - Friday  
from 9:00 a.m. - 3:00 p.m.

#### **Will I have to use my financial aid to pay for the Language Immersion Program?**

No. During your time in the program, you will not be using your financial aid.

#### **How much does the Language Immersion Program cost?**
