

ACADEMIC STANDING

CUNY Board of Trustees policy requires that all students must achieve the following minimum cumulative Grade Point Average (GPA) standards to be considered in good academic standing.

CUMULATIVE CREDITS ATTEMPTED	MINIMUM CUMULATIVE GPA
0-12	1.5
13-24	1.75
25-Higher	2.0

PROBATION/SUSPENSION

Students are placed on academic probation for the following semester if they do not meet the minimum GPA in the above chart. Students who are unable to bring their GPA to the required standards while on probation will be suspended, and must be separated from the University for at least one semester. Students who have been suspended twice may not be readmitted at BCC.

ACADEMIC APPEALS

Students may appeal their probationary or suspension status to the Appeals Agent of the Committee on Academic Standing (CAS). These appeals are intended for students who have WUs that could be converted to Ws, or for students who have poor academic grades that are older than 7 years and who have shown academic progress seven years after those grades were earned. FIN grades are resolved with the instructor who issued the grades. Usually, a student has 10 weeks into the semester following the semester in which the grade was given to resolve the INC grade, but an instructor may file an extension form to allow a student more time.
