

ACCOUNTING

Associate in Applied Science Degree | Career Program Department of Business and Information Systems

Accountants are indispensable in modern business organizations. Their basic responsibilities include the recording and summarizing of financial transactions. Accountants are called upon to analyze, interpret and prepare business records. They are often asked to make recommendations for more efficient operations. Accounting graduates may enter the field in such positions as bookkeepers, cost accounting clerks, junior accountants and tax examiners for government agencies. After further study, graduates may continue their education to acquire the baccalaureate degree and become business managers, budget directors, private accountants or controllers. With further appropriate education and experience, graduates may qualify for certification as Certified Public Accountants or as teachers of accounting and related subjects. A Cooperative Work Experience course during their senior year allows students to gain valuable business experience in a supervised setting. Students are advised that there is an AS degree offered in the same discipline. The accounting program articulates with SUNY Empire State College, Business, Management and Economics and Interdisciplinary Studies baccalaureate programs (see the Transfer Planning website for more details).

Curriculum Coordinator: Professor Paul Jajjairam

Accounting Curriculum (Pathways)

Required Core

A. English Composition

- ENG 110 Fundamentals of Composition and Rhetoric
OR ENG 111 Composition and Rhetoric I (3 Credits)
- ENG 112, OR ENG 114, ENG 115 OR ENG 116 (3 Credits)

B. Mathematical and Quantitative Reasoning

- MTH 21¹ Survey of Mathematics I OR MTH 23
Probability and Quantitative Reasoning (3 Credits)

C. Life and Physical Sciences

- SCIENCE² AST 111, BIO 11, CHM 17, CHM 110,
ENV 11, ESE 11, ESE 12, ESE 13, PHY 11 OR
PHY 110 (3-4 Credits)

Flexible Core

A. World Cultures and Global Issues

- HIS 10 History of the Modern World OR HIS 11
Introduction to the Modern World (3 Credits)

B. U.S. Experience in its Diversity OR

D. Individual and Society

- ECO 12 Macroeconomics OR
ECO 11 Microeconomics (3 Credits)

Choose one course from Flexible Core A-E³

SUBTOTAL 21-22

Major Requirements

- ACC 111 Principles of Accounting I (4 Credits)
- ACC 112 Principles of Accounting II (4 Credits)
- ACC 113 Principles of Intermediate
Accounting (4 Credits)
- ACC 115 Accounting Information Systems (3
Credits)
- BUS 10 Introduction to Business (3 Credits)
- BUS 111⁴ Applications of Mathematics
for Business (3 Credits)
- COMM 12 Voice and Diction: Business and
Professional Speech (2 Credits)
- CWE 31⁵ Cooperative Work Experience (2 Credits)
- DAT 10 Computer Fundamental
and Applications (3 Credits)
- DAT 36 Microcomputer Spreadsheet
Applications OR DAT 38 Microcomputer
Database Applications (3 Credits)
- FYS 11⁶ First Year Seminar (0-1 Credit)
- KEY 10 Keyboarding for Computers (1 Credit)
- Lab Science Credit² (0-1 Credit)
- LAW 41 Business Law (3 Credits)
- MKT 11 Principles of Marketing (3 Credits)

SUBTOTAL 38-40

TOTAL: 60-61 Credits required for
AAS Degree⁷

- ¹ Students planning to transfer to a four-year college should take MTH 30 or 31.
- ² Students may select either a 4-credit or a 3-credit science course. Students selecting a 3-credit course must also complete an additional 1-credit lab course to fulfill graduation requirements.
- ³ In an effort to provide students with a well-rounded liberal learning experience, students are encouraged to fulfill this requirement by selecting courses from Flexible Core Areas B, C or E as these areas are not already required by this program.
- ⁴ Students who have completed MTH 06 (or three years high school mathematics) and intend to transfer to a four-year college may take BUS 41 instead of BUS 111.
- ⁵ CWE 31 is a two (2) credit course. A student should enroll in CWE one year before graduating or when starting the third semester. See the CWE advisor in Loew Hall, Career Services, during the second semester. Students who are

employed full-time are not required to complete CWE. A waiver must be obtained from the Department Chairperson by submitting documentation of current full-time employment. After a written waiver of CWE is obtained, the student must substitute the required CWE credits with any course(s) offered by the Business and Information Systems Department. College Work-Study assignments within CUNY may not be used as substitutes for the CWE internship.

- ⁶ Students must take FYS 11 prior to earning 24 degree or equated credits. Students who have earned 24 or more degree or equated credits are permitted to use the one credit as a free elective. It is highly recommended that students take FYS 11 in their first or second semester. This requirement will be waived for students who have earned 24 or more degree or equated credits at BCC or another college and transfer into this program.
- ⁷ Students transferring into the program with 24 or more degree or equated credits will be required to complete only 60 credits to graduate.
