

# EDUCATION ASSOCIATE

Associate in Applied Science Degree | Career Program | Department of Education and Academic Literacy

The Department of Education offers two degree programs for students choosing a career in the field of education: the AAS Degree and the AA Degree. The AAS Degree is designed for students seeking employment upon the completion of the two-year degree. This program offers a wide range of education courses and internship experiences in New York City Public Schools. If the student decides to transfer to a four-year institution, additional liberal arts credits may be required. Upon employment as a paraprofessional, the New York City Board of Education will pay for six credits per semester for college courses. The AA Degree program is designed for students who seek automatic transfer to a senior college in CUNY, upon graduation, to pursue a baccalaureate degree and teacher certification. Students interested in preparing to be teachers should pursue the Liberal Arts and Sciences Associate in Arts (AA) Education Option.

Please note that the program articulates with SUNY Empire State College. Visit the Transfer Planning web site for more details.

Curriculum Coordinators: Dr. T. Johnson & Prof. D. D'Alessio

## EDUCATION ASSOCIATE CURRICULUM (PATHWAYS)

60 Credits required for AAS Degree

### Required Core

#### A. English Composition

- ENG 110 Fundamentals of Composition and Rhetoric *OR* ENG 111 Composition and Rhetoric I (3 Credits)
